

Flap disc* 125x22x23 - K60, per box of 10 pieces - BASIC

652.34207236

This BASIC flap disc is ideally suited for a wide range of steel qualities. Whether for surface grinding, edge grinding or deburring work, you are guaranteed a fine surface structure on the workpiece with this disc, not least thanks to the abrasive grain used. Nothing stands in the way of efficient completion of your project.
