

CERABOND-X Fibre disc for angle grinders DISC-V 125 x 22 / 4 P 94 V CA80

658.34486204

The PREMIUM CERABOND X fibre disc is perfect for demanding grinding jobs on steel and stainless steel. Thanks to the ceramic grain combined with a unique bond system, these tools achieve a high stock removal rate over a long period of time. For coarse grinding applications on particularly hard surfaces, the fibre discs from the CERABOND X series are definitely your first choice.
